*The School Photographer*

SEVEN HILLS NSW 2147

Dear Mr. Dostine,

Campsie Public School students and staff wish to sincerely thank *The School Photographer* for their assistance and photography for the school's centenary celebrations.

The whole school and "100" photos of the 2008 students look fabulous and the two photos are hung with pride near the Principal's office. We would like to thank *The School Photographer* staff for professionally and efficiently organising the 640 Campsie school students for these photos.

An important thank you is also given to Veronica and Andrew for the assistance with the cover of Campsie Public School's Centenary History Book. Andrew's work and cooperation with the printer was invaluable in making a high standard and special commemorative book to reflect the school's proud history.

Thank you for supporting Campsie Public School during this important year and we look forward to continued association with your company.

Yours faithfully,

Mrs Elizabeth Bransgrove
