Unit 20, 14-16 Stanton Road,  
Seven Hills. 2147.

Dear Garrick,

Thank you for the donation from the 2008 School Photographs. The funds are much appreciated as they contribute towards resources for the curriculum areas.

Your staff and the manner in which they carried out the photography were excellent. Their willingness to meet our requests is very much appreciated. Please pass on my appreciation to them. Roger Khoury, our co-ordinator for school photographs will be in touch with you to confirm next year's date and also if there are any issues.

Once again, many thanks for your financial support.

Yours sincerely,
